ACTIVELY CHANGING LIVES: VICTORIA'S VOLUNTEERISM

Volunteer Spotlight: Victoria Gardner

Victoria has been volunteering with StandUp for Kids for over a year and changing lives. She is praised for her work ethic, punctuality, and ability to complete any task or job. Her reliability has stood out to many, gaining the trust of the staff and the youth. She helps with events, mailing, and more. One of her most significant contributions is the StandUp for Kids pantry, which helps feed plenty of our needy youth. StandUp for Kids staff and youth can't thank Victoria enough for her time, effort, and passion in supporting our mission of helping youth experiencing homelessness.

Knowing my contribution, however small, help to create the bigger picture, : helping these kids know someone cares, and they have a safe place to get the love and support they need; StandUp for kids is truly an organization that puts feet to fire.

CAR SHOW WRAP-UP

Classic rides changing lives

Celebrating our annual car show, StandUp for Kids hosted the event at Auto Addiction in Lake Forest on May 20th, 2023. The warm Saturday afternoon brought in a great amount of guests who were able to roam the car garage and parking lot, enjoying the incredible scenery of classic cars.

We were so fortunate to have so many participate and donate. Together we raised over \$20,000 in support of our mentoring programs. From the car owners, the guests, our staff, to our sponsors, we are so grateful to all who joined us. None of it would have been possible without everyone there.
