

Walk and Chalk

“Turning sidewalks into stories of hope”

StandUp for Kids invites you to grab your chalk, your friends and your creativity and help us fill the sidewalks with messages that educate or inspire hope and belonging. Bring extra chalk and invite others to join in.

Chalk. Post. Connect.

- Align your chalk event with a fundraiser for double the impact
- organize a “chalk” contest within your group or challenge other groups to a “chalk” off. The most impactful message wins!
- Amplify social media by posting, liking and sharing.

~~Talk~~ **CHALK** is cheap. Give chalk packets for donation and encourage businesses, schools, groups to StandUp together and let our kids know they have a community pulling for them.

Capture and share pictures of your event! Inspire others to join in. Don't forget to tag us so we can celebrate your creative support together!

Create conversations around youth homelessness and help us end the cycle!
